Background Checks

All coaches, referees, club owner/instructors 18 and older are required to complete and pass USATKD background check prior to being a member of USATKD and registered for USATKD state sanctioned events.

USATKD has implemented [SafeSport](#) and it is a requirement for members in a supervisory position with our Taekwondo athletes to undergo and successfully complete a background check. A member whose sole membership category is 'Athlete' will not require a background check.

If you indicate more than one membership category in your registration (i.e., Athlete, Coach, Referee, Instructor and/or Club Owner) and you are 18 years of age and older, you MUST complete a background check before you will be allowed to attend a USATKD sanctioned event. The background check is required even if you are registering as just an 'Athlete' for an event. For example, a member is registered as both an Athlete and Coach but only wants to attend an event as an Athlete. The member is still required to complete a background check since they have an active Coach membership.

To complete a Background check, please go to: <https://www.teamusa.org/usa-taekwondo/v2-resources/safe-sport>

Daedo PSS Scoring for ALL sparring competitors

ALL sparring competitors will use Daedo PSS hogus. This will require that all sparring competitors have Gen 2 Daedo electronic scoring socks.

Citizenship/Residency

Athletes participating as a black, red, blue, green, or yellow belt that are 11 years old or younger, as well as the Ultra divisions will NO LONGER have to show proof of U.S. residency to compete in at the State or National Championships.

All World Class 12 – 14 (Cadets), 15 – 17 (Juniors), 17 – 32 (Seniors) Sparring and Poomsae, and 40 and older Poomsae Black Belt athletes must provide proof of U.S. citizenship, if they cannot provide this documentation, they may compete in the non-world class divisions. These non-world class black belt divisions will allow non-U.S. citizens/U.S. residents the opportunity to compete in the State Championships. These divisions will be eligible for points but will not be included in the World Class Division points. These athletes will also not be eligible for the Talent ID Camps or make any of the USATKD National Teams, because these programs require U.S. Citizenship.

Points Ranking System

This event will use the current Tusah U.S. National Rankings to seed each division at the event. Seeding for events will be based off the current posted rankings on the USATKD website as of 7 p.m. CST the Thursday prior the tournament.
