Coaching Registration Information

All coach registrations must be online at: www.tourneygo.com/2019txteam

In order to coach at any TSTA sanctioned event, ALL Coaches ARE REQUIRED to have:

- At least an Associate Coach certification
- [TSTA Membership](#)
- SafeSport training and background check (see below)

CIDP Level	Registration Fee	Registration Deadline
Associate Coach Level 1 Coach	\$25	August 9, 2019

Background Checks

All coaches, referees, club owner/instructors 18 and older are required to complete and pass USATKD background check prior to being a member of TSTA and registered for TSTA sanctioned events.

USATKD has implemented SafeSport and it is a requirement for members in a supervisory position with our Taekwondo athletes to undergo and successfully complete a background check. A member whose sole membership category is 'Athlete' will not require a background check.

If you indicate more than one membership category in your registration (i.e., Athlete, Coach, Referee, Instructor and/or Club Owner) and you are 18 years of age and older, you MUST complete a background check before you will be allowed to attend a TSTA sanctioned event. The background check is required even if you are registering as just an 'Athlete' for an event. For example, a member is registered as both an Athlete and Coach but only wants to attend an event as an Athlete. The member is still required to complete a background check since they have an active Coach membership.

To complete a Background check, please go to: <https://www.teamusa.org/usa-taekwondo/v2-resources/safe-sport>
